

Canadian Croatian Media,

A MOU was signed by Prime Minister Harper in Zagreb that will facilitate Canadians and Croatians, 35 and under, to work in the other country for up to one year!

This youth mobility agreement will be an additional bridge between Canada and Croatia and will allow youth from both countries to improve their language skills, learn about the other country, gain experience and make friends... It will also provide an additional opportunity for development of business, trade and relations. For additional information please see the following links: <http://www.pm.gc.ca/eng/media.asp?id=3339> and <http://www.international.gc.ca/iyp-pij/>

For additional information on Harper's visit to Croatia please see the following link: <http://www.pm.gc.ca/eng/media.asp?id=3341> or google 'Harper and Croatia'.

The visit of Prime Minister Harper to Croatia was an incredible heart-warming experience. It was an honor to meet so many dedicated people that are working to foster relations, business and trade between our two countries and to participate in the meetings and discussion. The coverage of Harper's visit in the Canadian media was excellent, for an example please see the following link: <http://www.vancouversun.com/news/Harper+continues+European+tour+meet+Croatian/2998310/story.html>
